REWARD CARD — CUT OUT OR KEEP WITH THE CHARACTER SHEETS

Restorer's Medal

RESTORER'S MEDAL

Wondrous Item, Uncommon (No Attunement Required)

This brass gear bears four tiny symbols: a pearl, a sheaf, a golden flask, and a flower. It grows warm when its bearer remembers something that others have forgotten.

REMEMBERED LESSON (1/ADVENTURE)

Immediately after you fail an ability check, explain what useful lesson, clue, or forgotten detail your character remembers. Turn the failed check into a success. Once this property is used, the medal becomes a nonmagical brass keepsake.

Award It at the Reveal

Give this card to the group after Bellweather's lost celebration is restored. The players decide which hero carries it if these characters return in a future adventure.

THIS ONE-SHOT

The medal is a story reward and is not needed during the current adventure. It does not replace Heroic Inspiration and requires no tracking tonight.
